Control and Collaborate

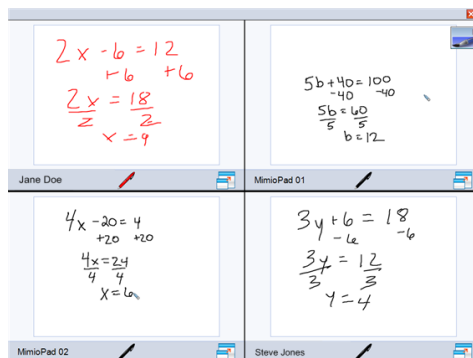

Select any student using a mobile device* equipped with the Mimio-Mobile app or a MimioPad tablet to give control to that student.

Take back control by clicking Control and choosing Teacher device.

Give control to another student by clicking Control and choosing that student's device.

Up to nine mobile devices*, MimioPad tablets, or a combination of each can be connected at once. All will be able to independently use their own whiteboard space, and all Collaborate sessions will be displayed at the front of the classroom.

* Supported Devices: iPad 2 and higher and iPad mini
